

SERVICE AT YOUR DOORSTEP

Connect Consumer with Servicemen.

SAFETY IN COVID -19

We intend to connect our app with Aarogya Setu API to ensure safety of everyone.

As stated by the govt. API will be out shortly.

JOB FOR MIGRANT WORKERS

They can easily select the location where they wanna work. No fixed location for them.

Simplicity is the key

JUST A CALL AWAY!

No more booking hassles.
Now you can connect directly to the servicemen
without paying any broker charges too.

QUICK REGISTRATION

Service-provider can register easily with few
steps only & there is no need for the consumer
to register.
Open the app and start browsing.

Problems with the apps in the market...

Very costly compared to the local provider.

No service for urgent requests.

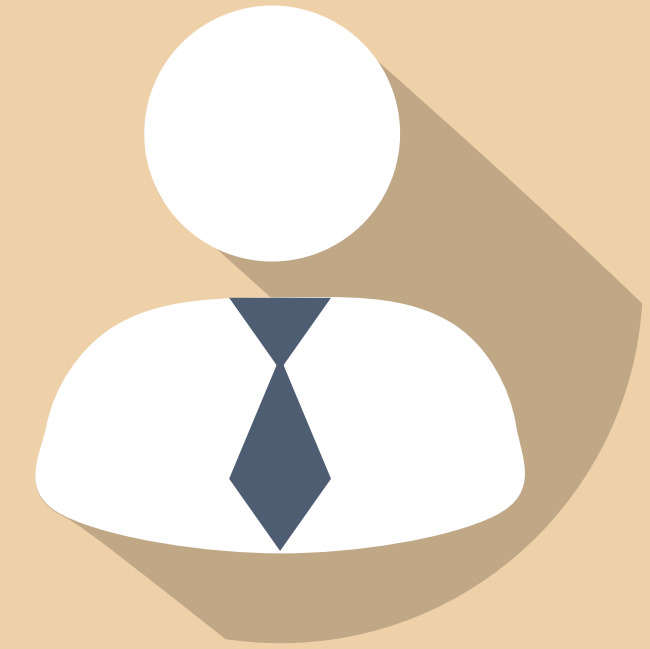

Very Lengthy Registration Process.

Fixed Location Of Work.

Why customer will choose us?

- Safe in Covid-19. (Aarogya Setu API)
- Less Cost for Customers. (No Broker Charges)
- All Services directly at your doorstep
- Quick Service
- Customer can choose the best rated service.

Real- time database with
firebase.

Secured login Authentication.

Personal Data Secured.

Firebase

Open API Service

by

Aarogya Setu

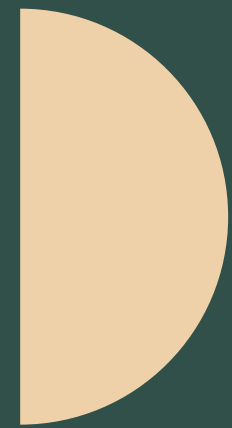

We will show only those in
our list,
who are totally safe from
the Covid-19.

Security comes First.

Every Servicemen who registers on the app is verified through UIDAI by their Aadhaar card no.

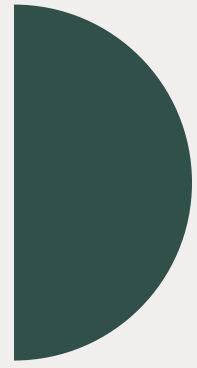

Distance Mapping

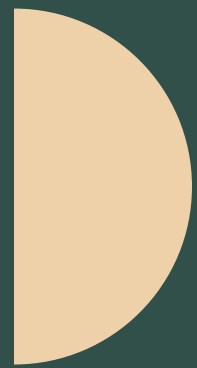

Consumer can see all the available servicemen sorted by their distance.

Customers can
give their rating to
the servicemen
and choose the
best-rated servicer

Functioning of the App
